About

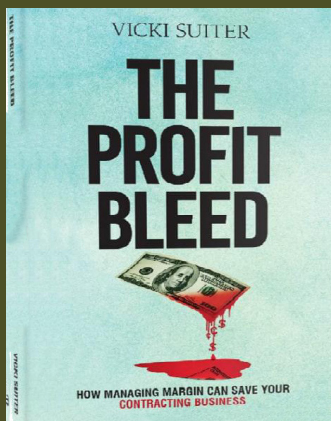

Good economy or bad, raging competition or not, any contractor or designer can run a healthy, profitable business. Many just don't know how. Consultant, Author, Speaker Vicki Suiter, founder of Suiter Business Builders, knows the secrets to building great teams and creating sustained profitability and success. Since starting her business in 1990, Vicki has helped hundreds of contractors and designers build solid foundations for their businesses to grow, enabling them to achieve the kind of success they never dreamed possible.

Vicki helps people see their businesses differently, then gives them the tools to do things differently. The results? More profits on their bottom line, and more time to spend doing what they love.

She is also the author of book “[The Profit Bleed](#)” – a practical guide to growing great teams and increasing profits!
